Mohammad in Book of Daniel Chapter Seven

Corruption of Christ`s Message by Constantine

Mohammad in Book of Daniel - Chapter Seven

1- Changing Message of Christ by Constantine {Mid Horn in Head of Fourth Beast}

2- Mission of Prophet Mohammad - His Ascension to God's Throne

3- Conquest of Jerusalem to Remove the Abomination of Desolation

- **After interpretation of the vision of the statue seen in Daniel 2 {Four nations occupying Jerusalem}**
- **Daniel saw another vision in the book of Daniel, chapter seven, angel Gabriel interpreted it to him**
- **The vision included four animals {representing the nations that occupied the Holy Land in Palestine}.**

1- The first animal is a lion with wings of an eagle "Babylonian Kingdom" 612 - 539 B.C.

2- The second animal is a bear holding in its mouth three ribs "Persian Kingdom" 539 - 331 B.C.

3- The third animal is a tiger with four heads and four wings, "Greek kingdom" 331 - 63 B.C.

4- The fourth animal is a formidable animal "Roman Kingdom" 63 B.C. - 638 A.D.

- **The fourth animal {Emporium} defeats the previous animals {Empires} .. The fourth animal has ten horns {10 emperors persecute the monotheists .. and it is known the ten major persecutions of followers of Christ by Roman emperors .. another small horn appears in the middle part of the head of this fourth animal .. this little new horn removes three horns in front of it}. Constantine killed three Caesars to rule the Roman Empire alone. This Horn {Constantine} is Contrary to the ten horns that preceded him .. The horn has two eyes and a mouth of a shrewd and cunning man .. He fights the saints, defeats them,**

changes the law, and speaks about God with great Bad sayings. He represented Almighty God as the Greek god Zeus the father god having an incarnate son Apollo. He changed the dates of the feasts .. For sure the Horn in the middle of the head of the fourth animal is Constantine who killed the monotheists from the followers of Christ and entered the worship of Zeus the Father god and his son Apollo the Son god the incarnate man .. Constantine made the worship on Sunday instead of The Sabbath in line with the worship of Mithras {the sun god} .. Constantine burned all copies of the Gospels that were with the believers and personally supervised the writing of new Gospels after one year of the Council of Nicaea. Therefore, you do not find any original manuscript of the Gospel before the fourth century nor before the Council of Nicaea .. This substitution, distortion and killing the Unitarian and his victory over the saints "for a time, two times and half a time" that is about 350 years from the age of the Roman empire.

- In the vision, there are four nations who occupied the Holy Land, and what concerns us now is the Roman Byzantine Empire .. And the ten major persecutions on the hands of the ten Roman emperors {kings} who preceded Constantine .. Constantine came with cunning and changed the message of Christ. Instead of the Sabbath prayer it became Sunday prayer and instead of Moses law, there is no law after the crucifixion as Mithras crucifixion, who was raised up on the third day after he had given his disciples wine and bread, the communion rite".
- The ten horns in the Roman Empire "10 Caesars" killed the monotheists and displaced them .. These horns are known in Christianity as the ten great persecutions .. Those kings {Emperors} begin with Nero 54 - 68 A.D, Domition 81 - 96 A.D, Trajan 98 - 117 A.D, Marcus Aurelius 138 - 180 A.D, Severus 193 – 211 A.D, Maximus 235 - 238 A.D, Decius 249 - 251 A.D, Valerian 253 - 260 A.D, Aurelian 274 - 287 A.D, Diocletian 292 - 304 A.D.
- They came before Constantine {305 - 331 A.D}. The new Horn appeared in the midst of the Roman Empire's occupation of the Holy Land {63 B.C - 638 A.D}, came to change the law, so that the law became nothing after the crucifixion that occurred to Mithras the sun god. Constantine transmitted that to the religion of Christ saying that Jesus had been crucified .. Constantine copied Paul saying {The law has become a curse} And to make the prayer on Sunday "the day of the sun" instead of Saturday .. to

enter the doctrine of the Father god {Zeus} and the Son god {Apollo} .. and one of his biggest signs is that he removes 3 horns before him, "3 Caesars" Valerius Licinius, Maximinus Daia and Maxentius.

- **After this period of 350 years .. the Son of Man = the son of Adam "the seal of prophet-hood and the master of the messengers" comes and Gabriel accompanies him on the journey of the ascension to the throne of God .. God gives him an eternal victory and authority that will not pass until the Day of Resurrection and defeat this fourth animal "the abomination of desolation Paganism, "which turned Jerusalem into a dump where women throw menstrual waste .. and indeed the nation of the Seal of Prophet-hood removed the abomination of desolation from Jerusalem .. And Muslims conquered Jerusalem in 638 AD .. Constantine began his rule in 305 AD, midway through the period of the Romans' rule of the holy land in Palestine. Muslim nation conquered Constantine capital, Constantinople, "Istanbul" .. they defeated the bear "the Persian kingdom" and Persians turned Muslims.**

Explanation of the vision

- **Here Prophet Daniel, sees monsters emerging from the sea in succession .. The angel explains to prophet Daniel the vision (so he approached one of the standing and asked him for the truth in all this) that these beasts represent four kingdoms that will rise in succession on the earth starting from his time and will be as follows:**

1- A lion .. Babylonian kingdom (612-539 B.C.) during which the vision was fulfilled.

2- A bear .. Persian kingdom (539 - 331 B.C.) defeated Babylonians

3- A tiger with four heads and four wings .. State of the Greeks (331-63 B.C), as it historically ruled the Persian kingdom. In the eighth chapter, the book of Daniel himself declared its name in the eighth chapter with a goat with a large horn protruding from between its eyes that breaks and takes its place another four Horns. The parts to which the Kingdom of the Greeks divided after the death of Alexander the Great .. Antiguans possessed Asia .. Seleucus controlled Babylon .. Cassander over Macedonia .. Ptolemy over Egypt.

4- A fourth colossal beast .. which is the kingdom of the Romans, ruled over the Greeks. It had wrested the Holly land from 63 B.C. It remained the ruler of the Holy land until 638 A.D, when the Kingdom

of the Most High, took it from it. Daniel sees ten Horns at the head of this fourth animal, "the Roman state" which angel interprets to him as representing ten kings of this fourth kingdom.

- **What is important for us here is the fourth kingdom, "the Romans", is their period of rule of the Holy land between 63 B.C to 638 A.D. The Kingdom of the Most High (the state of Islam) that liberated the Holy land from them, removed the empire and took their capital "Constantinople" .. There is no doubt that the kingdom that followed the Roman kingdom in Jerusalem was the Kingdom of the Most High Islam .. The angel explained that to Daniel the new horn is another king, "an emperor" He differs from the ten previous ones, that he will overcome three kings, that he will persecute the believers and celibate them, and he will speak words against the Most High, change the feasts of the believers and change their religion, and the believers will remain under his rule for a period of three and a half times, until the saints of the Most High (the righteous servants of God .. Muslims) appear, so they seize the Holy land and establish the kingdom of God.**
- **The little Horn {King} attributes are summarized as follows:**

- He is one of the Roman kings, the fourth kingdom, or the fourth beast.

- He will come in the middle of the Roman rule of the Holy Land after ten kings who preceded him.

- His policy would be contrary to the ten kings who preceded him.

- He will uproot up three horns {kings} before him.

- He will fight the believers and cripple it for three and a half centuries.

- He will change their holidays.

- He will change the religion of the believers and their law

- He is cunning and shrewd, as the horn he represents is distinguished by his tongue and eyes.

- He will speak great words against God the Almighty, "He will take the doctrine of the god Father Zeus who is in heaven and none has seen him and the doctrine of his incarnate son Apollo and transmit it to Christianity" .. He will transmit the doctrine of the crucifixion that happened to Mithras and take the rite of communion.

- His rule over the holy land and the believers will continue for a period of three and a half periods until the kingdom of God is established and the Holy land is taken away from his rule

- He is without doubt Constantine .. The fourth kingdom is undoubtedly the Roman kingdom

- **So Constantine was the Roman king who spoke against the Almighty, the Exalted, and the Holy land continued to be ruled by Constantine and his successors with a new style of Roman rule until it completely entered under the shadow of the kingdom of God {Islam} after 334 A.D., about 350 lunar years (from 305 A.D to 638 A.D, and the conquest of Jerusalem was in 638 A.D, that is, exactly 346 years after the Jewish lunar years, or after three and a half centuries (three and a half times) from The beginning of the reign of the Roman king .. which has the characteristics evident in the vision of Daniel, chapter seven .. Some Christian Scholars have said that the term of the reign of this "astrayed king" as they called him will last for thirty-five years (an understanding from the news of the prophecy that it is three periods of time and a half) which is an understanding that applies also on the direct reign of Constantine, which lasted about 34 lunar years on the Jewish calendar or more .. and this is from the full applicability of the characteristics of the king mentioned in the bible to the personality of Constantine that it applies to the period of his direct rule or to the period of rule that he established on the Holy land in Palestine for a period of three times and a half time, whether explained by a decade or a century.**
- **If Constantine was described with one of the mentioned characteristics, it would have to define him .. Who among the Roman emperors who share with him any of these characteristics?**
- **He own the ten characteristics that no other emperor shares? .. he is the little horn, the Roman king in the fourth kingdom, "the fourth beast" .. who came after ten kings but him! .. He was different from them .. He came in the middle of the head of the beast and the Roman kingdom ruled the earth from 63 B.C until 638 A.D. He came from the year AD 305 - 337 A.D. exactly the middle of the period of occupation of the Roman empire .. He is the one who uprooted three other kings .. He is the one who changed the weekly and annual feasts of the believers, and there is none in the history who shares this with him .. He is the one who changed the religion of the believers and their books .. He is the one who said about The Creator very great bad words .. He is the cunning and insidious king who used his intelligence in the deceit of the believers .. and was distinguished in the vision as the horn with the mouth and eyes stronger than the Horns before him .. He is the one who persecuted the true believers and chased them away**

- **Christians say that the horn is Antiochus IV, 175-163 B.C. and this is a clear confusion. Antiochus is one of the kings of the Greek third kingdom and not one of the Roman kings of the fourth kingdom, and none of the other detailed characteristics in Chapter Seven apply to him exactly as they applied to Constantine .. The eleventh chapter had spoken clearly about Antiochus as one of the kings of Greece.**
- **Then Daniel states that he saw in the visions of the night with the clouds of the sky like the Son of Man (the son of Adam) and has raised to the ancient days God Almighty and they brought him close to him, where he gave him authority, glory, and the kingdom under which all people, nations and tongues will join in eternal authority and a kingdom that will not become extinct. And this kingdom will be the one that will destroy the fourth kingdom .. Thus, the last and remaining kingdom of God until the end of time will be established by a person chosen from among the children of Adam, who will take him to heaven and be given support, prestigious position and glory there, and establish the kingdom of God that will strip the Holy earth from the hands of the Romans (the fourth kingdom) included under its banner the various peoples of the earth and their tongues .. Likewise, the state of Islam was that stone that was cut without hands, remaining until the Day of Resurrection .. It came after the Roman state, and it removed them from the Holy Land .. Among all those who ruled the Holy land in Palestine, none established a ruling in the name of God Almighty other than the Muslims .. Therefore, their ruling alone deserved to be called the Kingdom of God .. and it is only the one who actually came after the fourth Roman Byzantine kingdom.**
- **Did Muslims arrange their kingdom to come after the Romans in ruling the Holy Land in Palestine? Or did Muslims arrange the history of Constantine, so it came within the fourth empire since the time of Daniel, different from ten emperors who persecuted the monotheistic, and he came after them with unique cunning, so he changed the religion of the believers, changed their books and changed their weekly and annual feasts exactly as he mentioned .. Did the Muslims arrange for him to defeat three other Roman kings? Then did the Muslims arrange for him and his successors to rule the Holy land for three and a half centuries (three and a half times) before the Muslims inherited it? Did they intend to their illiterate Messenger during his weakness and the beginning of his call that the people would bring something that would not be easy to believe with the news of his passing to the heavens at night and his**

ascension to the Almighty. He returns to Earth to establish the kingdom of God. Then how did they arrange for him and themselves this quick inheritance of the Holy Land and its surroundings, so that under their kingdom included peoples of different tongues and races? Muslims are still in the Holy land, even though the Crusaders and the Jews ruled parts of it for periods of history .. Is it more certain to mention the name of the Islamic state as the intended kingdom after the Roman Empire? Does the reader need any clarification to know that the Son of Man (the son of Adam), the owner of the night sky ascent, is the "master of the son of Adam" Muhammad, peace and blessings be upon him

Summary of the Vision of Daniel

- **We are talking about a Roman Empire {Fourth Beast} that ruled the Holy Land from the year 63 BC. Until the year 638 AD, the head of the beast had ten horns, then in the middle of the beast's head an emperor would come in the middle of the period from 307 A.D. - 331 A.D. .. and he fights 3 Caesars and removes them .. Constantine is the Roman Emperor who removed three other Caesars .. He is the one who removed Valerius Licinius, Maximinus Daia and removed Maxentius.**
- **His corruption of religion will continue for a period of three and a half periods, until the kingdom of God is established and the Holy land is taken from his rule .. Without doubt he is Constantine .. The fourth kingdom is the kingdom of the Romans without a doubt .. All the interpreters of the Bible confirm that .. it has 10 Horns = 10 emperors "They came before Constantine" .. they fight the monotheists and kill them and displace them .. A new Horn appears in the middle. Constantine appeared in the middle of the period of the Romans' Ruling the Holy Land .. This Horn changes the law and the feasts and speaks to God with great bad words .. This matter lasts for 350 years, then the Son of Man comes to remove the abomination of desolation that Daniel and Christ spoke about from the Holy Land .. Titus destroyed the God's House and burned it {Titus from the Roman Empire}. After the destruction of the God's House the abomination of desolation was established .. By constructing a temple for the pagan gods on it then they made it a ruin in which women dumped menstrual waste .. and this is what Omar ibn al-Khattab found in 638 A.D. upon the conquest of Jerusalem. He cleared the place and rebuilt God's House again.**

Vision Text {Daniel 7 2 : 24}

- **Daniel said: I was looking in my vision at night, and behold, the four winds of heaven were churning up the great sea. Four huge beasts came up from the sea, each different from the others.**
- **The first was like a lion with eagle's wings. As I watched, its wings were pulled off and it was lifted off the ground. It was made to stand upon two feet like a man, and the heart of a human was given to it.**
- **And behold there before me was another beast, a second one, like a bear. It raised itself up on one side; it had three ribs in its mouth between its teeth. It was told, Arise, devour much flesh!**
- **After that I looked, and behold, there was another one like a leopard. On its back it had four wings like those of a bird. The beast also had four heads, and it was given authority to rule.**
- **After this in my vision at night, I looked and behold there was a fourth beast—terrifying, frightening, tremendously strong, with large iron teeth. It devoured and crushed—and anything that was left it trampled with its feet. It was different from all the beasts that came before it; it had ten horns.**
- **While I was pondering the horns, behold, another horn, a small one, sprang up between them, and three of the first horns were uprooted from before it. And behold, this horn had eyes resembling human eyes and a mouth speaking boastfully.**
- **Ancient of Days and Son of Man**
- **While I was watching, thrones were set up, and the Ancient of Days took his seat. His garment was as white as snow, and the hair of His head like pure wool. His throne was ablaze with flames, its wheels a burning fire. A river of fire was flowing and coming out from before Him. Thousands of thousands attended Him and ten thousand times ten thousand stood before Him. The court was seated, and the books were opened.**
- **I kept watching because of the boastful words that the horn was speaking. I continued watching until the beast was slain and its body destroyed and thrown into the blazing fire. As for the rest of the beasts, their dominion had been taken away, yet their lives were prolonged for a season and a time.**
- **I was watching in the night visions. Behold, One like a Son of Man, coming with the clouds of heaven. He approached the Ancient of Days, and was brought into His presence. Dominion, glory and**

sovereignty were given to Him that all peoples, nations, and languages should serve Him. His dominion is an everlasting dominion that will never pass away, and His kingdom is one that will not be destroyed.

- **As for me, Daniel, my spirit was disturbed within me, and the visions of my head alarmed me. I approached one of those standing nearby and asked him the true meaning of all this. So he spoke with me and revealed the interpretation of these things: These large beasts, four in number, are four kings that will rise from the earth. But the *kedoshim* of the Most High will receive the kingdom and possess the kingdom forever yes, forever and ever.**
- **Then I wanted to know the true meaning of the fourth beast that was different from all the others, exceedingly terrifying with iron teeth and bronze claws, which broke in pieces and devoured and then stomped with its feet anything that remained. Of the ten horns on its head, the other horn that sprang up before which three others fell—that horn eyes and a mouth speaking arrogant things, and its appearance was more imposing than its companions. As I was watching, that horn was waging war against the kedoshim and overpowering them, until the Ancient of Days came and judgment was rendered in favor of the kedoshim of the Most High—when the time came and the kedoshim possessed the kingdom.**
- **Thus he explained: 'The fourth beast will be a fourth kingdom on earth that will be different from all the other kingdoms. It will devour the whole earth, and trample it and crush it. As for the ten horns, out of this kingdom ten kings will arise. Another will arise after them, but he will be different from the previous ones; he will subdue three kings. He will speak words against the Most High, and will continually harass the *kedoshim* of the Most High, and will try to change the appointed times and law. The *kedoshim* will be handed over to him for a time, times and half a time. But the court will sit and he will be stripped of his power to be destroyed and abolished for all time. Then the kingdom, power, and greatness of the kingdoms under all heaven will be given to the people of the *kedoshim* of the Most High. Their kingdom is an everlasting kingdom, and all dominions will serve and obey him.**
- **This is the conclusion of the matter. As for me, Daniel, my thoughts greatly troubled me and the color drained from my face. But I kept the matter in my heart.**
